Penny Drive For Haiti

This has been the most successful Service Learning project yet, by our Youth Council and Club members. Throughout the month of March we have combined raise over **\$100** in pennies to donate to the people of Haiti who lost everything. **Parents also donated over \$30** on the day of the Talent Show which also added to our projects success!

**Great Job
Everyone!**

Shout-Outs

A HUGE shout-out to the members and staff of the Boys & Girls Club at Roll Hill. You all have made this a very successful year! We have overcome many challenges all while creating some very great and long lasting memories and friends. We plan to look back on our past accomplishments and plan for another GREAT school year next year for the Boys & Girls Club at Roll Hill. Without the love and support of our members, staff, teachers, parents and community members, the SUCCESS this year wouldn't have been possible. Thanks to everyone who made this year HAPPEN and we hope to see you again next year!

From: Ms. Ashanti & the BGC Staff

Final Challenge

Each week our 4th-8th graders compete in a program called "Creating Your Reality" where they are challenged to showcase the etiquette skills they learn from each week from **phone etiquette, general conversation etiquette, interviewing etiquette, eating etiquette and good manners.** On Thursday, May 20th the top 12 students, will be awarded a dinner at **Boi Na Braza Brazilian Steakhouse in Downtown Cincinnati.** These students are giving it their all to be chosen to attend this SPECIAL dinner!

5th Quarter

Yes, we have a summer program!

If your child will be attending the 5th quarter session for school from 8am-2:15pm, then you can also sign up for 5th quarter with the Boys & Girls Club from 2:30-4:30pm, from June 1st-June 25th!

Don't wait, space is filling up fast!
