The Boys & Girls Club at Chase

Programs in MAY

“Dance With Me” classes continue this month. All grades are learning hip-hop and other dance variations. We will finish with a Talent Show on May 20th. All family members are invited to join us!

Our evening meal program began on May 3rd. Daily, at 5:00 p.m., we will be serving a nutritious supper thanks to the Hunger Alliance of Ohio. Meals will include deli meat sandwiches, taco salads, or some other proteins, along with a fruit, vegetable, and milk.

Fifth Quarter coming up in June!

All Chase students who register for Fifth Quarter with the school are eligible to join the Boys & Girls Club for activities after school. We will run the program, June 1st thru 25th, with a wide variety of fun and educational activities. We are currently working on putting together the schedule, including fieldtrips. Once we have it finalized we will be sending it out to everyone. For more information, see Mr. Bob or Ms. Vicky. Call the club anytime at 919-2550.
