Boys & Girls Clubs of Greater Cincinnati Celebrates Ribbon Cutting of Renovated Clem & Ann Buenger Boys & Girls Club

NEWPORT, Kentucky (April 28, 2026) - Community leaders, supporters and local partners gathered on Thursday, April 23, 2026, to celebrate the ribbon cutting of the newly renovated Clem & Ann Buenger Boys & Girls Club, located at 36 E. 10th St. in Newport, Ky. The event highlighted the [Boys & Girls Clubs of Greater Cincinnati](#)’s (BGCGC) continued investment in creating high-quality spaces where young people can learn, grow and thrive.

The Clem & Ann Buenger Boys & Girls Club has long served as a cornerstone for youth in Newport, and the completed renovations provide a more modern, welcoming and functional environment for academic support, mentorship, workforce readiness and recreational programming. The updated facility will allow BGCGC to expand opportunities for the young people it serves while strengthening its impact within the local community.

“This renovation reflects our commitment to ensuring every child has access to a safe, inspiring place to learn and grow,” said Bill Bresser, the BGCGC CEO. “We are proud to continue investing in Newport and grateful to the partners who made this possible.”

The morning event began with a coffee hour, followed by remarks from BGCGC leadership and community stakeholders before the official ribbon cutting. Attendees then toured the updated facility, experiencing firsthand the enhancements designed to better serve local youth. The celebration brought together donors, elected officials, community leaders and supporters, all united in their commitment to expanding opportunities for the next generation.
